WoodSongs on NBC-TV this Saturday. NBC NEWS in NYC is including a TV feature on WoodSongs that will air nationwide Saturday May 6 at 3:20PM EDT during the pre-DERBY broadcast. It's not a long feature and we don't want to over-sell this, but 45 sec in front of an estimated network audience of 65 million viewers on a major TV day isn't bad for a grassroots music show that started out in a small room with 10 people and one radio station airing it.

WoodSongs launches on RFD-TV Network beginning Friday July 7. Downtown Lexington is now hosting a broadcast with a **bigger audience than the Grand Ole Opry and Austin City Limits combined.**
