## A banjo is a SongFarmer's Plow.

So is a guitar, fiddle or mandolin. And your singing voice.

The WoodSongs Front Porch Association (WFPA) is an international association of front porch-minded musicians, artists, and dreamers. We call our members "SongFarmers."

A "SongFarmer" is any artist who uses music to make their families, their hometowns, their careers better. Why be consumed with an industry that technically doesn't exist anymore? Music does not have to be your livelihood to be a powerful, amazing part of your life. **Let's do something better!**

**JOIN THE WFPA:** our mission is to gather the global community of front porch minded musicians, bring roots music education into schools free of charge, and enhance the good works of the SongFarmer community of artists and musicians. Your annual \$25 membership in the WFPA supports the Gathering, our CLASSROOM projects and worldwide SongFarmers Chapters. Join us, **become a SongFarmer** and help restore the simple love of music back into your hometown, schools and front porches around the world.
