

Dear WoodSongs Partners,

What a rough year for all of us. How have you and your family been faring? The world of music and art have been especially decimated during this pandemic ... so many artists, venues and festivals have shut down, many permanently.

The good news: WoodSongs has been going strong and our affiliate base on radio and television keeps growing bigger. New radio systems in Illinois, Arizona, Virginia, Tennessee and scores of other communities around the world keep adding WoodSongs to their broadcast schedule. The next season of the nationwide Public TV season and also on RFD-TV are launching this month. Every Monday, a classic WoodSongs broadcast launches on our WoodSongs YouTube channel. Thousands of teachers and home school families have been using the WoodSongs Classroom projects to keep kids busy and musically encouraged.

All of this happens for FREE ... because of YOU.

WOODSONGS PARTNER COVID-19 POLICY – WE NEED YOU! Can you renew your WS Partnership and help the show stay on the air during this very odd time in history?

All WoodSongs Partnerships are being PRO-RATED for the term of the shutdown. In other words, if production for WoodSongs is down for 5 months because of the pandemic, your current partnership will be EXTENDED for five months, etc. You do not need to do anything, it will be extended automatically on your behalf.

IF YOU BECOME A PARTNER NOW ... we need you! ... your partnership will begin the day WoodSongs announces its production schedule. Hopefully very soon. You can even give a WS Partnership as a gift. Visit WoodSongs.com/Partnerships for details and to see the huge gift package every new and renewing partner get for helping out.

Thank you for settin' on WoodSongs musical front porch with us,

Michael Dunbar
